We are the maids the ones you killed the ones you failed we danced on air our bare feet twitched it

6

was not fair with ev-ery god dess queen and bitch from there to here we scratched your itch we

11 **B** major key section

did much less_ than what you did you judged us bad you had the spear_ you had the word at

16

your com-mand we scrubbed the blood of our dead par - a-mours from floors, from chairs from

22

stairs from doors we knelt in wa-ter while you stared at our bare feet it

27

was not fair you licked our fear it gave you plea sure you raised your hand you

31

watched us fall we danced on air the ones you failed the ones you killed
